Your good letter came while I was briefly away from the office and I find that it was answered on the 28th of July without my seeing the answer as I had planned to do this personally.

We here in this Office have a relatively small and rather specialized medical staff and have no present vacancy for a man of your great experience and seniority. However, if you are here in Washington, I should like to talk over the situation with you and see if there is any way I could be of any possible help.

I want you to know that I remain deeply grateful for all you have done for Allen and for us and that it would be a pleasure if I could be of some service at this time.

Faithfully yours,

Thank you so much for your recent inquiry regarding the possibility of service with this Agency in your specialty. Although we are honored by an expression of interest from a physician of your background, there are unfortunately no appropriate opportunities for affiliation at this time.

It is gratifying to realize the high motivation which prompted your letter. Please allow me to express my appreciation once again.

Sincerely,

Allen W. Dulles
